

Fantasy Privacy Policies

Fantasy is committed to safeguarding the privacy and data of individuals who interact with our platform. We adhere to applicable data protection regulations and strive to be transparent about how we collect, use, and share personal information. Below are our privacy policies:

1. Fantasy Platform Privacy Policy:

This policy outlines how Fantasy handles personal data when individuals access the Fantasy website, use the official Fantasy app, play Fantasy, engage with Fantasy content on social media platforms, or interact and communicate with Fantasy. It provides details on the types of data we collect, the purposes for collecting it, and how we process and protect that data.

2. Fantasy Player and Related Persons Privacy Policy:

This policy focuses on the personal data of players, academy players, and individuals associated with players within the Fantasy platform. It covers player family members, match officials, agents, managers, trialists, coaches, scouts, club staff, directors (including shadow directors and club owners), and personnel of current and prospective broadcast partners and licensees. The policy explains how we use the provided or received personal data in relation to these individuals.

3. Fantasy Safeguarding Privacy Policy:

This policy addresses the use of personal data concerning the safeguarding of children and adults at risk. It outlines how Fantasy handles and protects this sensitive information, emphasizing our commitment to ensuring the safety and well-being of vulnerable individuals.

4. Fantasy Enforcement Privacy Policy:

The Enforcement Privacy Policy explains how Fantasy collects and utilizes personal data as part of our efforts to protect and enforce our intellectual property rights. It describes the measures we take to safeguard our platform and maintain compliance with applicable laws.

5. Fantasy Child-Friendly Privacy Policy (Under-13s Questions and

Answers/Over-13s Questions and Answers):

These child-friendly privacy policies are presented in the form of question-and-answer formats tailored for different age groups. They provide clear explanations of how Funtasy protects privacy and handles personal data, particularly when individuals under the age of 13 or over the age of 13 use the Funtasy website, app, or participate in the Fantasy game.

These privacy policies are designed to inform users about our data practices and ensure transparency regarding the handling of personal information.
